on Tampa Bay

Vol. 21, Issue 157 April-May, 2010

WALTER JR.'S CD, *STANDING ON THE WORD* praises the Lord, while featuring the driving rhythms of South Louisiana, in conjunction with percussive Telecaster chops, epitomizing the tradition of Gulf Coast blues. He mines a wealth of Southern musical influences, all recast through the prism of his soulful songwriting, singing and blazing guitar work. - *Roland Stone*
