

WALTER JR.

THE RIVER CLUB

"The Lafayette native brews up a compelling gumbo of swamp pop and roadhouse blues....quintessential sounds from the swamps of Southern Louisiana" - BILL MILKOWSKI, JAZZ TIMES

"This is a melting pot of swamp rock, blues, funk and roots rock. Walter jr. serves up the entire menu with a healthy dose of Cajun Spice and Southern Flair. {These are songs that could only be written by someone who has traveled many roads of love and life. Walter jr. seems primed to continue the journey}."

- MICHAEL COTE, BLUES REVUE
